

#NAFEMFightingHunger

NAFEM makes it easy to fight hunger in your community

Join the largest philanthropic effort in NAFEM history. Already, members have donated nearly 27 million meals to their neighbors in need. Our next goal is to provide more than 5 million meals by the end of 2023.

Get involved

It's easy. Just visit nafem.org/what-we-do/social-purpose to check out the #NAFEMFightingHunger toolkit. It has everything you need to begin or build on a program in your company.

#NAFEMFightingHunger is a great way to give back to your community, engage your associates and further build the reputation of your business.

Make a difference

NAFEM matches every dollar your company donates in food, funds and volunteer time to your local Feeding America® food bank, up to our \$250,000 program maximum.

NAFEM's match stays in your local community so every \$1 you donate becomes \$2 – or 20 meals – to feed your neighbors in need

Earn Priority Points

You get two Priority Points annually.

While NAFEM does not match contributions to non-Feeding America food banks, members receive two Priority Points annually for supporting any hunger-relief organization, and are included in the list of members participating in #NAFEMFightingHunger.

Don't forget to share news, photos and videos of you and your team joining #NAFEMFightingHunger. We want to help tell your stories.
